

Kaikoura Coast Trail Ride

22 to 24 January 2011

Featuring inland trails that climb into the vast mountain range and follow seldom visited river valleys; this ride is set to be a cracker! We have three full days of the most stunning, and at times challenging, trail riding ever! At the end of each day, we will return to our exclusive lodge retreat. Fine food and refreshments will complete a day of great riding and spectacular scenery.

Kaikoura is a small seaside settlement with an incredible backdrop of the rugged, often snow capped, Kaikoura mountain range that provides a dramatic setting to this town. This unique combination of ocean and mountains offers stunning coastal alpine scenery and a host of eco-tourism oriented activities, including Whale watching, Dolphin swimming, and walks. And then there is the seafood!

About The Ride

We aim for maximum fun, on and off the trails, always with customer safety as the priority. Trails are varied and include 4x4 tracks with a rocky base, bush single trails, mountain passes, plus plenty of riverbeds and river crossings. The inland Kaikoura mountain range is genuine wild terrain.
