

# YAMAHA MT RUAPEHU TRAIL RIDE

## 12 to 15 March 2011

Over the last few years our Adventure-Trail Rides have set the standard for awesome riding and good times. Adventure-Trail riding is about new experiences so for 2011 we have put together this all new multi day trail ride, with loads of new terrain and including the best of the incredible riding the Central North Island has on offer.

This is a ride of contrasts from plantation forests, volcanic mountain trails, stunning lakeside tracks, native bush and lush green farm properties – you name it, we have included it. This is a new and exciting trail riding experience not to be missed.

### FORMAT

This is a fully guided trail ride. Riders will follow our "lead rider" who will set the pace for the following group members our "sweep riders" will follow at the rear. Our ride is designed for trail riders looking for the ultimate trail riding experience. We'll take you riding to places you never knew existed in and around the central North Island region. No ordinary trail ride, this is a top shelf, multi-day experience with at least 180km of riding each day, plus lodge accommodation and all meals to a high standard. Even your fuel is included.

### THE RIDE

The trails are a mixture of flowing 4x4 tracks, single trail in native bush, open farm land, plantation forestry and gravel - all up, a bit of everything. This is a huge ride, over 1,000 km, at times through remote back country, so riders and bikes must be prepared. It is essential that you have appropriate off road riding gear for a variety of conditions, from hot and dry to cold and wet. You will need your own road legal enduro bike of 250 to 650 cc. It must be well prepared with knobbly tyres and you will need to carry basic tools and spares. We transport your luggage and spares.
